STORY OF THE MONTH: A PLACE TO DREAM

This month, we want to share the story of a young mother in our community whose life was turned upside down when a devastating fire destroyed her home—and everything in it.

But thanks to the incredible generosity of volunteers and supporters like you, we were able to respond quickly. Through our Clothes Closet and Household Referral Closet, we helped her begin to replace many of the essentials she lost. It was more than the loss of things—it was the disruption of life itself.

Tragedies like this don't only impact one person—they ripple through the lives of everyone who steps in to help. There were many tears of loss which quickly became tears of gratitude.

Because of your ongoing support, we were able to bring comfort, stability, and hope to a family facing one of the worst moments of their lives. And that is what community is all about.

Monthly Update

APRIL BY THE NUMBERS

In April, the Henry County Food Pantry continued its mission of meeting critical needs in our community. Through our food distribution program, we supported 768 households and 1,857 individuals, delivering 934 food boxes filled with nutritious items and hope.

Meanwhile, our Clothes Closet served 875 individuals, distributing an incredible 7,526 items—from clothing to hygiene and household essentials. Every number represents a person whose day was made easier because of the support of our donors, partners, and volunteers. Thank you for making this work possible.

KIWANIS CLUB OF BASSETT HELPING OUT THE COMMUNITY

We're so grateful to the Kiwanis Club of Bassett for spending an afternoon with us at the Henry County Food Pantry! Not only did they hold their meeting on-site, but they also rolled up their sleeves to help pack pallets of food for distribution. Their teamwork and service spirit made a big difference, and we truly appreciate their ongoing partnership and support.

FEEDING SOUTHWEST VIRGINIA

On the first Monday of the month—our busiest day—Feeding Southwest Virginia joined us to help serve nearly 300 families and assist with a new intake software. Their support helped streamline the process and ensure a smoother experience .

Outside, families received food including meat, produce, and pantry staples. Inside, they had access to clothes and household goods—essentials that bring stability to those facing food insecurity in Henry County.

YOUNG PROFESSIONALS BOXING

A big thank-you to the Young Professionals of Martinsville for coming out to help us prepare for our busiest day of the week—Monday distribution. Their energy and dedication helped ensure that the pantry was fully stocked, organized, and ready to serve hundreds of families. We're proud to have local leaders who care so deeply about their community.

Thank you for all your support and donations!
