STORY OF THE MONTH: HELP BEYOND BORDERS

In May, the Henry County Food Pantry had the opportunity to extend compassion beyond our local borders by supporting disaster relief efforts in London, Kentucky, following devastating tornadoes. When the call for help came, our team responded quickly—thanks to the continued support of our donors, partners, and volunteers.

We delivered a truckload filled with essential supplies: water, bleach, sunscreen, care kits, bug spray, hygiene items, toothbrushes, infant formula, diapers, rechargeable batteries, linens, pillows, blankets, food, and socks.

Monthly Update

MAY BY THE NUMBERS

In May, the Henry County Food Pantry continued to make a meaningful impact in our community by serving 928 households and 2,196 individuals through our food distribution program. A total of 1,078 boxes were packed and delivered, each one representing stability, nourishment, and care for families facing food insecurity.

GOD'S PIT CREW

This month, we were honored to share in the spirit of collaboration by sending two truckloads of supplies to our partners at God's Pit Crew. In return, they generously provided a full tractor-trailer load of items that will greatly support our community. By sharing our blessings, we were able to meet a broader range of needs and extend our impact to even more individuals and families.
