

Impact Report

FOOD LION VOLUNTEERS

This month, we were deeply honored to welcome a group of Food Lion managers from several local stores who spent the day volunteering at the Henry County Food Pantry. Their visit was more than just a helping hand; it was a heartfelt demonstration of what community partnership truly means. Together, they packed and organized more than eight pallets of food.

In addition to their time and hard work, the team also made a generous food donation, ensuring that more families in our community will have access to nutritious meals.

WHAT'S IN THIS MONTH'S REPORT:

- Story of the month
- Monthly Update
- Partner Spotlights

Their energy, teamwork, and commitment remind us how powerful it is when local businesses invest in the communities they serve. We're incredibly grateful to Food Lion and their dedicated managers for standing beside us in the fight against hunger and helping us continue our mission of nourishing hope and strengthening lives in Henry County.

Thank you for being part of this mission.

Monthly Update

FSWVA PARTNER CONFERENCE

This month, our team had the opportunity to attend the Feeding Southwest Virginia Conference, a meaningful gathering focused on collaboration, learning, and strengthening hunger-relief efforts across the region. Our director, Sharon Mills was honored to speak on the topic of retaining and recruiting volunteers, sharing strategies and experiences from our pantry's work.

BUSINESS BUILDER SUBWARD

We are incredibly grateful to share that the Henry County Food Pantry has been selected as one of only two programs in the entire state of Virginia to receive the Business Builders Subaward Grant from USDA.

This recognition is a true honor and a testament to the work our team, volunteers, and community partners continue to do every day to strengthen food access and sustainability in Henry County.

Partner Spotlight

ALL VETS

A huge thank you to ALL VETS for their incredible generosity and community spirit! Earlier this month, the organization hosted a race and food drive, combining fitness, fun, and purpose to support our mission of fighting hunger in Henry County.

Thanks to their efforts and the kindness of everyone who participated, hundreds of pounds of food were donated to help fill our shelves and serve families in need. We're truly inspired by the way ALL VETS continues to give back.

RESTOCKING HOPE

Henry County Food Pantry proudly partnered with CarePortal and the Charity League to restock the Resource Rooms in every city and county school.

These rooms serve as vital spaces where school staff can provide students in need with essential items. By coming together, our organizations ensured that each school is equipped to meet immediate student needs and support families facing difficult times.

Thank you for all your support and donations!
