

February 2026

Hope Center Helps with Produce delivery

In February, the Henry County Food Pantry was blessed to receive **two tractor trailers full of fresh produce**, creating an incredible opportunity to provide healthier food options to families in our community. Large deliveries like these require significant teamwork, and we were grateful to have our partner **Hope Center** step in to help unload and organize the shipments.

Another Pop-Up distribution

Because of closures and the difficult conditions caused by ice and harsh winter weather, the Henry County Food Pantry opened for a special **pop-up distribution on February 11th** to help ensure our neighbors still had access to food during a challenging time. Even with the cold and unsafe travel conditions, our team and volunteers were committed to being there for the community. That day we were able to serve **367 individuals**, providing not only food but reassurance that support was still available when it was needed most.

Help Needed:

- Volunteers!!! We are open for Volunteers from Monday to Thursday from 9-12
- Winter Gear (Kids and Adults winter coats, Beanies, Gloves.
- Hygiene Items (deodorant, body soap, shampoo)
- New Underwear (Men, Women and Kids)

February Monthly Statistics

1113 households

2892 individuals

Partner of the month

Thank you Eastman!!

We would like to recognize **Eastman as our Partner of the Month** for organizing a food drive and delivering generous donations to the Henry County Food Pantry. During a time when winter weather and increased need made it especially important to support our community, their efforts made a meaningful difference. Eastman not only showed up with hands-on support but also helped provide valuable resources that allow us to continue serving families in need. We are truly grateful for partners like Eastman who step up and stand alongside us in caring for our community.

We are excited to share our Golf Tournament Fundraiser, and we would love for our community to be part of it. If you or your organization are interested in entering a team or sponsoring a hole, please reach out to us we would greatly appreciate your support. Events like this help us continue providing essential resources to families in need. We also have additional fundraisers in the works, including a live music event, with more details to be announced soon. Stay tuned for ways to get involved and support the mission of the Henry County Food Pantry!
