

# Impact Report March 2026

## A Henry County Easter!!

With the help and coordination of Samantha Pruitt from CarePortal, dedicated volunteers, and the shared resources of the Henry County Food Pantry, our community came together in a truly meaningful way this Easter season. Through collaboration with local churches and schools, a total of 491 Easter baskets were assembled and delivered to children across our area. Whether handed out during our Monday distribution before Easter or delivered directly to schools, each basket was a reminder of care, support, and community connection.

# Bed Time Blessings: Giving Children a Place to Dream

Through our Bedtime Blessings program, the Henry County Food Pantry has been able to serve 21 children with 9 additional families scheduled this week, providing them with a bed, mattress, linens, and pillows something many of us take for granted, but that makes a life-changing difference for a child in need. A safe and comfortable place to sleep supports not only physical health, but also emotional well being and success in school. As the need continues to grow, we are **asking our community for support donations** help us continue reaching more children and ensuring no child has to go without a place to rest.

# Grants Received: Community Foundation and United Way!!

We would like to extend our sincere thanks to **United Way of Martinsville-Henry County** and the **Community Foundation** for supporting the Henry County Food Pantry through their recent grant awards. Their generosity plays a vital role in allowing us to continue serving our community and advancing our mission. Support like this ensures we can remain consistent, responsive, and available to families in need. We are truly grateful without partners like them, it would be much more difficult to continue the work we do every day.

## Partner of the month

# Thank you God's Pit Crew!!

We would like to extend our sincere thanks to God's Pit Crew for hosting Sharon Mills and Arthur de Souza at their facility in Danville. It was a meaningful opportunity to strengthen our partnership and explore ways we can work more closely together to better serve our communities. Conversations like these help build stronger connections and ensure we are maximizing our impact. We are also grateful for the ongoing collaboration between our organizations, including the ability to support one another through shared resources. In 2025, the Henry County Food Pantry was proud to donate a total value of **\$448,863.38** to God's Pit Crew, reflecting our shared commitment to helping those in need.
